

Real Estate Auctioneers

This year it is not about multiple Bidders and Bidding – it's all about the skill of the Auctioneer and how to handle a real world situation.

You can still win the SALIFE Golden Gavel Live 2017 even if your Auction didn't go off with a bang....as long as you did!! As Auctioneers, we can't always control the outcome but we sure can do a great Auctioneering performance regardless of the bidding.

Our judges are Top Auctioneers and recognise this.

So even if you don't think the property is going to be hotly contested you should still submit your entry...

Please nominate and Live Stream your Real Life Auction performance to the Society's Facebook **before 30th April 2017.**

Rising Star Auctioneers

Rising Stars will perform by auctioning a property from a brochure and details supplied prior to competing in front of a panel of judges. The Rising Star Heats will be held on Wednesday 17th May 2017 and nominations must be received **prior to the 30th April 2017.**

The subject property will be provided to you several days prior to the event to allow for preparation.

This is hosted by Brett Roenfeldt - there is NO CHARGE to attend provided you book by Friday 28th April.
