PRESIDENTS' REPORT

2026-2027

Sharon Gray and Paul Henry

The Society has a proud history of serving the specialist interests of auctioneers and appraisers in South Australia since it was incorporated in December 1981.

This history is well documented and recorded within our 40 year anniversary video and through ebook newsletters and on our website auctioneers.com.au. Please have a look and read the amazing contribution so many members have made in making the Society what it is today.

One of our favorites is the Golden Gavel Schools Auction Idol Awards 2007. Seeing Mia Vassallo of St. Dominic's Priory College win the inaugural schools idol competition. Phil Harris just 26, winning the Golden Gavel award, working with Toop + Toop, LJ Hooker, taking Auctioneer Agency of the Year.

Matt Smith winning the Metro Novice (now Rising Star), Garry Topp inducted into the hall of fame and one of the Society's favourite son's Lindsay Warner, the trustee and innovator of the Schools Auction Idol. General Auctioneer Peter du Plessis recognised as ambassador for excellence in antique and fine art.

All of the above had a profound impact on those careers all thanks to the Society.

Attached is the 2007 journal for your enjoyment. [Click Here](#)

And now in 2026, for the very first time joint presidents, Sharon Gray and Paul Henry. In fact there have been 29 presidents since John Fereday lead us on this journey. There is no doubt no one envisaged the heights of the Society would achieve. The innovation and passion would lead us to the national stage. When one of our own real estate auctioneers and loyal members, Michael Brock, would take the title as Australasian Auctioneer Champion. A feat not repeated by any other SA auctioneers since.

Presidents' Report – continued

Sharon and Paul are no strangers to the role. Sharon having served 3 terms in 2010–2012. Paul in 1997–1998. Both acknowledged for their incredible contribution with Life Membership and Paul as Patron. Having worked together on many Society events including The Golden Gavel Awards, they are well equipped to manage the change that is falling upon us.

A changing property market, legislation to disrupt the auction method of sale, generational change of how consumers buy and sell, and the impact of social media and AI that is reshaping the world.

The Society like many other small professional organisations has not been immune from generational and economic change. A declining membership, the loss of valuable income streams and competition from other professional bodies with national affiliations and resources, large independent agencies and franchise groups with access to training and everything else in-house.

Your Board together with our advisors will work tirelessly to achieve the same success we always have united for a our profession as auctioneers and appraisers.

A new strategic plan is being developed with the added support from the Society's Board Advisors. Drawing upon those specialists with years of experience in their chosen field.

SOCIETY ANNUAL GENERAL MEETING

CEO REPORT

The Society is unique in that it is the only professional body in the world that represents all categories of Auctioneers & Appraisers under the same umbrella with the common goal of striving for excellence.

In 2026 we are in our 45th year!

Our vision statement is to develop and enhance the professional standards of members through training, technology, innovation and representation.

The Society provides a high standard of service to members with Nationally Accredited Training, Social Events, Golden Gavel Competition, Legal Updates, and Advice on Contract issues, Complaint resolution and representation and provides a suite of marketing collateral for Agents and Auctioneers.

The Year 2025/2026:

Our Agents and Auctioneers under the Pump Workshop has proved popular where we answer all the difficult questions Agents and Auctioneers could get at an open inspection. We acknowledge Brett Roenfeldt and Chris Gill who convene these workshops for us.

The questions grow as we become aware of things that happen – we now have over 56 questions and have developed best practice suggested answers. Every issue tabled actually happened.

I'd like to acknowledge Chris Gill as Society Trainer who has worked in the industry for 26 years, co-wrote the Society's Real Estate Computerised Documentation in 1995, plus has an intricate knowledge of the legislation, agency practice and form 1 preparation.

Chris Gill trains on Legislation, Contract and Agency, Compliance, Pricing and Form 1 conducted in Adelaide, South East, Riverland, Port Lincoln and Clare. Members love Chris's practical approach to Training and the new Q&A Format where questions are handled as the issue arises not at the end of the session where the relevance has dissipated.

Chris's further commitment to the Society is evident where he sponsors the Society Golf Classic up to the tune of \$5,000 every year, plus The Form 1 Company is an official Sponsor of the Society. Last year at Mt Osmond we had 48 players.

Paul Richards Harris Real Estate Mt Barker won, DB Philpott second and Ray White Mawson Lakes 3rd.

Chris Gill will sponsor the Golf Classic again this year. The Golf Classic will be held on Friday 27th November at the Mount Osmond Golf Club.

Brett Roenfeldt conducts our 2 Day Real Estate Auction Workshop and Auctioneers under the pump workshop. We acknowledge and thank Brett Roenfeldt for his imparting his immense knowledge of Auctions to especially our younger members wanting to make a career as an Auctioneer.

These are held in conjunction with Academic Pavilion Registered Training Organisation.

Brett is a Licensed R.T.O. Trainer.

In August we held a 2 Day Real Estate workshop with 4 delegates. One of the 4 went on to win the Golden Gavel Rising Star, Crispian Fielke.

We held a Presidents and Life Members Lunch and Society Christmas Drinks in December.

In April 2026, we held a seminar, Legislation and Best Practice Update and new AML and CTF (Anti-Money Laundering and Counter Terrorism Financing workshop) chaired by Chris Gill and Natalie Skinner from Livesign to prepare members for new legislation from 1st of July.

We followed up with a series of webinars mainly for Country members.

To the Sponsors.

We acknowledge Key Sponsors, Bowden Group, Read Brothers Signs, and also supporters, The Form 1 Company, du Plessis Auction Gallery, providing prize money to the Golden Gavel General Competition and Cowden Insurance Brokers for their continued support. Other sponsors include Eight at the Gate Wines & Academic Pavilion RTO.

Office Administration:

Stella Enriquez has been in the role since July 2022.

Stella's work ethic is superb and she is pleasure to work with.

Membership Last year we had 274 Members at the end of June. This year the number was 224.

Right now, we have 59 members over 20 years, 54 more than 10 years, 100 plus 10 years and under.

Our 20 page booklet guide for Agents on 'How To' list and run a successful Real Estate Auction Campaign.

It is a guide for Private Treaty Agents who do the odd Auction – do it the Private Treaty way and it doesn't work!

So this is a comprehensive guide from listing, to open inspections, to auction with scripts, dialogues, checklists, marketing tips, it covers every aspect of Auction from beginning to end.

It has been very well received and has been used in Agents Sales Meetings and for Training.

We have recently added sections on Commercial and Industrial and Rural.

21 Advantages of Auction has stood the test of time and is still as relevant as ever.

For General Auctioneers, they can now upload pictures in the Upcoming auction on the web – our upcoming Auctions App is a first in Australia and is a dynamic means of marketing and promoting auctions – we need to promote it more and ensure all members use it!

My thanks also for the opportunity of working with the 2025/2026 Board.

The goodwill, generosity and spirit are active & well!!

I will retire after 25 years at the end of 2026.

I am proud to be part of what the Society has achieved over the last 45 years as Member, Board Member, President and now CEO/Secretary/Treasurer and soon to be retired member.

For a relatively small body, the Society has had some amazing achievements and punched way above our weight.

I wish the Society every success for whatever it undertakes in the future.

- In 1988 we held the first “What’s it’s worth Appraiser Day” at the Art Gallery then held them at The Showgrounds, a marquee in Hindmarsh Square at Fernleigh Lodge and in the West Lakes Shopping Centre when we caused a traffic jam.
- We were instrumental in working with Messenger Newspaper to create and build their Real Estate section
- Created the longest running Auction competition in the Southern Hemisphere, known as the Golden Gavel, when Anthony Toop was president in 1993.
- We have held the Golden Gavel in marquees in Victoria Square, Hindmarsh Square, Year of the Outback in a marquis at Adelaide Oval with a live Camel in the room, at the Adelaide Symphony Orchestra with a 21-piece live Orchestra playing as the guests arrived.
- Held a 3-day Industry Expo in Victoria Square promoted at the time on 5AD, The Advertiser and Sunday Mail. Organised by Patron of the Society, Paul Henry.
- We created the Schools Auction Idol competition, where school students conducted a Real Estate Auction and competed in a state-wide competition with points to their SACE Certificate, created by Society Life Member Lindsay Warner.
- First in South Australia to release computerized Real Estate forms. The first to translate our forms into mandarin for Chinese buyers.
- We ran a Livestock competition as part of the Golden Gavel at Dublin and Murray Bridge for sheep and cattle Auctioneers, from Elders, Landmark, and regional livestock members, created by Society Patron Paul Henry.
- The Society is recognized internationally with delegates attending our 2 Day Auction Academy run by Brett Roenfeldt from Beijing, New Zealand, Singapore, Hong Kong, Malaysia, France, and most states in Australia.
- The Society has been recognized internationally with a delegation from the Supreme Court in Beijing in China. They came to South Australia and met with the Society to learn more about the Auction process. They could have gone anywhere in the world; however they chose to take advice from the Society of Auctioneers and Appraisers SA (Inc.), here in South Australia.
- We created the first Upcoming Auction App in Australia.
- Introduced Accreditation and Elite Accreditation for Real Estate Auctioneers and Auction Marketers.
- Held breakfast of champions with Director of Public Prosecutions Stephen Polaris, Foreign Affairs Minister Alexander Downer, Leader of the Liberal Party Isobel Redmond, member of the Legislative Council Hon. John Darley M.L.C. Speaker of the House Vincent Tarzia, special guests at events including Melbourne Cup jockey John Letts, Cricketer Wayne Flipper Phillips and actor Michael Caton.

- With the introduction of the licensing of auctioneers Brett Roenfeldt & Garry Topp were appointed by Consumer and Business Services to provide assessment + training for registration and licensing under the new Act to more than 180 South Australian Real Estate Auctioneers.
- The Society had a stand at the Property Real Estate Building and Home Expo held at the Convention Centre in July 2003.
- Launched inaugural Livestock Training School with 12 Elders Livestock Auctioneers in April 2004.
- We launched Schools Auction Idol internationally in 2015 in Crown Casino in Melbourne
- We introduced a 20 page booklet guide for Agents on 'How to' list and run a successful Real Estate Auction Campaign.

Thank you for the opportunity of being able to serve the Society and participate in the planning of this vibrant body.

AGM PRESIDENT'S REPORT

We commenced the Financial Year with a New Financial Year Drinks at The HWY in July and a 2 Day Licensed Real Estate Auction workshop in August and September followed by the AGM. The Golf Classic in November and in December President's Lunch and Christmas Drinks.

Early in the New Year, the Society Board went on the road for the Society Board Country Road Show with myself as President, Vice President Troy Tyndall and Country Board Member Paul Kilby.

It was to gather information aimed at Agents of Real Estate, General and Livestock not only for Society Members but we included non-members as well.

First day on Tuesday 17th February at a cafe in Tanunda then 11am at the Sevenhill Hotel Clare for the mid-north, then we travelled to Port Lincoln for a morning session on 18th at the Port Lincoln Hotel.

We renewed some old acquaintances and met some new potential members.

The Golden Gavel this year was another example of members reaching new heights with Bronte Manuel notching up his 5th win previously winning in 2014, 2023, 2024 and 2025.

After previously attending multiple sessions entering the Golden Gavel Rising Star and General categories on numerous occasions, after his boss James Wardle won the Golden Gavel General in 2025. Finally it was Angus Barnden's turn in 2026 winning the Golden Gavel General category.

Another auctioneer fresh out of the Society's 2 Day Auction Course in September, rapidly rising through the ranks is 2026 Golden Gavel Rising Star Crispian Fielke.

Senior Finalists this year were Anthony DeMarco, 2024 Rising Star winner Ben Krieg now into the Senior category as a finalist and also took out Top Sales Consultant Auction Marketer for 2026. Justin Irving won top Principal Auction Marketer.

Highest Prices at Auction, Geoff Schell (Country), Bronte Manuel (Metropolitan), Brett Roenfeldt (Commercial).

General Auctioneer Highest Price Single lot and highest price sales proceeds went to Marc du Plessis who also took out the Peter du Plessis Golden Pen Award.

A new initiative this year remembers and recognizes the founder of the Golden Gavel, Anthony Toop with the ACE Award for the highest aggregate score from all categories and fitting that the inaugural trophy went to Bronte Manuel.

I will stand down from the Board today, I wish the Society and its Members success in all endeavors into the future.

Our Story

Two sisters from a farming family of five children, spent their weekends and school holidays rolling out dripper lines with Dad over the flats of Coonawarra before it was the rows and rows of vineyard we see today.

Where are we?

We are in southern Wrattonbully, in South Australia, midway on the inland route between Melbourne and Adelaide, off the beaten track where we can focus on the business of growing premium wine grapes without distraction.

Our approach to our vineyard is much the same as raising our children; provide a sustainable, healthy, nurturing environment and don't interfere too much!

The 21 Advantages of using Auction as Your Preferred Marketing Process

POWERFUL MARKETING TOOL

Auction puts the Focus on Your Property

What are the Advantages to me as a Vendor?

1. **Control**, as Vendor you set the terms and conditions.
2. **You get a cash unconditional contract.**
3. **10% deposit** on the fall of the hammer.
4. **No cooling off period** applies.
5. **Allows 3 opportunities to sell** – before, at Auction or immediately after – and reduces the overall selling time in the market.
6. **Creates a sense of urgency**, which motivates purchasers to action.
7. **Allows all potential buyers to compete** amongst themselves to offer you the best price.
8. Can be used as part of a **total marketing package** where auction is the component that gets the buyers to act.
9. **Price is usually not disclosed** so you remove the objection factor.
10. **Forces buyers to make decisions** to a deadline of the auction date and brings negotiations to a head.
11. **The Auctioneer's skills**, enthusiasm and techniques can maximise the price.
12. **Vendors control their reserve price** and settlement date and accept or reject varied terms and get cash contracts, which usually settle in 30 days.
13. In every other form of marketing the buyer is in control. The buyer will dictate the offer, terms, subject to finance, subject to sale, subject to building inspection etc. and get a cooling off period. The buyer will negotiate from a position of strength. **With Auction the Vendor dictates the terms.**
14. **Auction opens the door** to more motivated buyers.
15. The Auction marketing campaign that you choose will be tailored to deliver **maximum exposure within the first few weeks on the market** – the time frame during which it is most likely to sell.
16. Your home is only open at **times that suit you** with a predetermined schedule of opens.
17. **The level of market interest** will help you gauge your reserve price.

What is an Auction?

Auction is a process which allows interested parties to make competitive bids which establishes the current market value of the property in an open, transparent and public form utilising the skills of an experienced auctioneer.

Why Auction Real Estate?

Real Estate Auctions have become one of the most popular methods of buying and selling property in Australia with substantial benefits for both Vendors and Purchasers. Auction is used as the preferred method of sale by Beneficiaries, Governments, Banks, Administrators, Executors & Trustee Companies, Corporations and Private Vendors and has been proven to be the best method of establishing true market value.

Committed Vendors sell their property by Auction!

18. **The competitive Auction environment** offers the greatest chance for a premium price.
19. **Auction negates the need for commissioner's approval** when dealing with associates under legislation saving valuable time.
20. Unlike other marketing methods where buyers generally negotiate down from the asking price, **at Auction buyers increase their offers commensurate with the skills of the Auctioneer.**
21. **On the fall of the hammer the Vendor becomes a cash buyer** subject to settlement only.

If you're not auctioning your property you are missing out on the highest bid – it costs no more to have Auction as part of your marketing strategy
